6th October 2017

Dear Parent/Guardian

As you are aware, there have been serious issues with the Rasharkin buses in the mornings since the start of term and we can assure you that we have been doing our utmost to ensure that these issues are addressed.

We have now received verbal confirmation from Translink Officials that a further bus will be allocated to this route, beginning Monday 16th October. Arrangements as follows: -

Double decker bus (7.50am) }
2 single decker buses (7.55am) } all stopping at usual pick-up points

We hope that this will resolve the situation and end the stressful time that pupils and parents have been experiencing.

We appreciate your patience in the matter and are also very appreciative of the work behind the scenes at Translink Offices to resolve the inconvenience of the last few weeks.

Yours faithfully

Mr S. Rafferty
Principal
